What is MOODLE?

Moodle is an e-learning platform through which professors make available to students teaching material, publish information about the course and lessons, assign tasks, exercises, tests and more.

To access, use the same credentials for Uniweb.

YOU MUST REGISTER IN MOODLE IN EACH COURSE UNIT YOU ARE GOING TO ATTEND!
Click on «**ACCEDI A MOODLE CON SINGLE SIGN ON (SSO)**» (on the top left)
COVID-19 MEASURES AND ACCESS TO CLASSROOMS

For «in classroom» teaching, the access to classrooms will be monitored through both your Study Plan in Uniweb and the registration to each course unit in the «MOODLE» e-learning platform.

If you intend to attend a course unit in presence, please constantly monitor your institutional email account («@studenti.unipd.it») to see if there is any communication regarding limitations to the students’ attendance in the classroom (due to limited places available, shifts may be established).

LEARNING AGREEMENT DURING THE MOBILITY

• We recommend that you change your LA within 30/40 days from the beginning of the Semester however UNIPD does not set a specific deadline (you should also check your Home University rules) so …

• … take your time in changing your LA and send it only once you are sure about the activities you wish to carry out

• If your Home University does not require a specific form, download the Standard European form from our website
  https://www.unipd.it/en/exchange-students/erasmus-studies-incoming/during-your-stay-erasmus-studies

• send by email your LA (signed by you) to your Erasmus officer (Alessandra for school of science).

• Once signed by the Academic Coordinator, it will be sent back to your email address.
  • Pay close attention to any comments we might add to the LA!
LEARNING AGREEMENT DURING THE MOBILITY

• Make sure to fill in the right template (LA during the mobility, NOT another before the mobility)
• Remember to write your name on the top right
• Please also specify the code of each course unit
  • Remember to sign the LA
THANK YOU FOR YOUR ATTENTION!
